

Golden Hammer Application

Background

The Golden Hammer Awards Program brings annual recognition to NTRCA contractor and associate members. These members will be recognized by their peers for their significant contribution to the roofing industry in the following categories:

Outstanding Residential and Commercial Projects: Three awards will be presented in each of these categories. Your entry could be based on: logistical challenges, quality workmanship, uniqueness, difficulty, time constraints, innovative solutions, safety challenges, or anything else you feel caused your projects to be unique.

Outstanding Community Service Projects: Three awards will be presented for outstanding community service projects.

Outstanding Green Projects: Three awards will be presented for outstanding green projects. In your application you need to clearly state why your project is considered green. We are not defining green. We want to see your innovations to make the world better.

Outstanding Metal or Tile Projects: Three awards will be presented for outstanding metal or tile projects. Your entry could be based on: logistical challenges, quality workmanship, uniqueness, difficulty, time constraints, innovative solutions, safety challenges, or anything else you feel caused your projects to be unique.

Eligibility

1. Unique roofing related projects, programs, services, etc. **completed between December 1, 2017 and December 1, 2018** are eligible for entry.
2. Current NTRCA Member must be the lead contractor.
3. The contractor who is applying for the award must have been a member of NTRCA at the time of completion of the project.

Deadline

The deadline for entries is December 14, 2018. Winners will be announced at the NTRCA's Annual Awards Banquet on February 23, 2019, at Blaine Stone Lodge in Midlothian.

Entry Preparation

Your entry/application will consist of the following items and you will need to **submit two copies of each**:

1. An entry form along with a description of the job, program or event. Please describe what made this job or event so unique that it should be considered for a Golden Hammer Award.
2. Description of the job being considered and any relevant materials. Photographs are required (5 maximum) * other supporting documents may be submitted, but only if they describe the uniqueness of the project. ***Photos need to be printed and submitted on a thumb drive for use by the awards committee.**
3. Photos provided must be from before, during, and after the project is complete. The photos must show the awareness of safety when recording their activities. If the project requires fall protection; it should be used. There should be no ladders not tied off, the site should be in order, and the workers should be equipped with personal protective equipment (PPE) as called for given the task at hand.
4. **Please remember the judges will base their decision on the information you include along with the photos you provide.**
5. Applicants are responsible for all shipment and postage in sending entries to NTRCA.
6. All entries become the property of NTRCA. **DO NOT SEND IRREPLACEABLE MATERIALS!**

Mailing Address
