

You Want Me To Do WHAT?

A 'Share Your Faith' Workshop facilitated by the Rev. Eric Morin

Learning to share our faith is integral to our Christian walk. Everything we say and do is either a witness or a counter witness to Christ. This is especially true when talking about our faith with friends and family. Think about it for a minute, you are a part of your church community because someone talked to you or took you to church.

This experiential workshop, hosted by the Ottawa Anglican Cursillo Movement, will enable you to explore and deepen your understanding and awareness of what your faith means to you and how to share with others. Together we will:

- **Learn** an authentic language for sharing
- **Recognize** organic sharing opportunities
- **Discover** comfortable methods and approaches for your sharing opportunities
- **Practise** overcoming cultural and personal barriers to sharing.
