WORKSHOPS

Session 1

1. "Cloud of Witnesses – The Community of Christ in Hebrews" - Bible Study Helps

Melissa Sevier

Come for an introduction, by the author, to the 2017-2018 *Horizons* Bible Study and some Bible study helps.

2. A Justice-Filled Life Makes Wrong Things Right Wanda Beauman

We will use an interactive process to examine everyday scenarios and decide how to take the next step.

3. First-Hand Aid, Rural Clinic Development Initiative Marc Bohland

The Rural Clinic Development Initiative, one of our 2017 Birthday Offering recipients, is designed to

establish six medical clinics in partnership with, and located at, Presbyterian Churches in rural Cuba

that will provide medicine and care not available, or difficult to get, from Cuban sources in those communities. Marc Bohland is Executive Director of First-Hand Aid, providing humanitarian Relief to

Cubans in need, hand-to-hand.

4. Restore, Refresh, Rejoice Pat Scheid

A fun-filled, lively discussion on ways to lessen stress and increase your potential for love, joy, gratitude, peace, and hope. Find out how to turn your heart and life toward what you were created to be – a rich

and satisfied, Spirit-filled self.

Session 2

5. What's New in Presbyterian Women? Laura Hovland

This class will highlight new ideas and resources that are available for your PW programming plans. It will

be interactive with input and opportunities for group sharing from the participants. You will be pleasantly

surprised by the flexibility and wide range of resources available for mission support, spiritual growth,

community action, and women's fellowship.

6. A Justice-Filled Life Makes Wrong Things Right Wanda Beauman

We will use an interactive process to examine everyday scenarios and decide how to take the next step.

7. "Cloud of Witnesses – The Community of Christ in Hebrews" – Bible Study Helps Melissa Sevier

Come for an introduction, by the author, to the 2017-2018 *Horizons* Bible Study and some Bible study helps.

8. Walking out the Door, Into the Light Renee Roederer

Religious demographics are changing in the United States. Many 'Nones' and 'Dones' have walked out of the sanctuary doors and are not returning to traditional, institutional churches. Come learn how Michigan

Nones and Dones, a new community in Southeast Michigan, is connecting spiritually with people who are disenfranchised from Church.
