

## **Storm Debris Removal Instructions**

**In an effort to restore our City to a clean and orderly appearance, the City has coordinated for storm debris removal to begin next Tuesday, September 19, 2017. Our contractor, Crowder Gulf, will pick up any bulk waste, but will need our resident's cooperation in order to make the removal process as efficient as possible.**

### **PLEASE MAKE SURE TO ADHERE TO THE FOLLOWING:**

- Place your storm debris in the swale at least five feet from structures such as mailboxes and fire hydrants
- No bags
- Separate the debris into two separate piles:

Following these instructions will ensure a successful clean-up for our Island City. Failure to comply with the above may result in a missed pickup, and having to personally dispose of your debris. Please help us make the clean-up effort a successful one!

*If you have any questions or concerns please feel free to contact your Code Compliance Unit at (954) 390-2151 or the Emergency Management / Utilities Department at 954-390-2190*
