

SDCACHike – Iron Mountain

Join us on Saturday June 10th for our hike to the top of Iron Mountain. This well known peak is located just east of Poway with impressive views of the Laguna mountains to the East and the sea coast to the West. Round trip is 5.8 miles with an elevation gain of just over thousand feet. Please bring plenty of water and sunscreen.

You can carpool with us from Our Mother of Confidence Catholic Church in University City or meet us at the trailhead. Join us for lunch afterwards as we celebrate our achievement at a nearby restaurant in Poway.
