Lecture: The Underground Railroad in Orange County

Sunday, October 8

1 PM

Linda Zimmerman, local author and researcher, will discuss the history of the Underground Railroad in Orange County. Prior to the Civil War, runaway slaves hid in dark corners of basements, in secret rooms behind coal bins, and in abandoned mine shafts. Local residents risked heavy fines, imprisonment, and even torture, as they provided food, shelter, and transportation for these exhausted and terrified men, women, and children. This presentation will highlight some of the dramatic stories of these slaves, abolitionists, and bounty hunters – stories that took place in our own backyards.

Hike: Iona Island

Sunday, October 15

1 PM

First came the Native Americans - then the Dutch - then the British troops - then the entrepreneurs - then the U.S. Navy - and finally the Palisades Interstate Park Commission. Iona Island has had a curious and varied history! Join Doc Bayne and members of the F.S.F. for an approximately 3 hour leisurely-paced walking tour of the island. Be sure to bring water and a snack and wear comfortable, sturdy shoes. **Meet at Iona Island in the parking lot by the railroad tracks.** (Iona Island is just off 9W, about one mile south of the Bear Mountain Inn.)

Hike: Lakeville Iron Trail at Night

Friday, October 27

7 PM

Join Doc Bayne and members of the F.S.F. for a night hike on the same trails and roads miners historically walked to go to work. Are their spirits still in Lakeville? Come and see for yourself! Bring a candle lantern if you can; flashlights will not be used on the hike. This program will last approximately 2 hours. Be sure to wear sturdy shoes or hiking boots.

Lecture: Sterling Forest Gardens

Sunday, October 29

1 PM

Sterling Forest Gardens opened in the 60's and closed in the mid 70's. Located in a wonderful wooded setting, the Gardens were known for displays of spring bulbs and formal elements, such as European-style fountains. Doc Bayne will bring the Gardens to life once again as he presents hundreds of photos of the Gardens in all their glory.
