

**The Emerging Leaders Board
of the CMRF in New York
invite you to a Special Event**

Joe Schmidt has changed the face of rugby in Ireland since his appointment to Leinster in 2010. After winning two Heineken Cup titles with Leinster and back-to-back Six-Nations titles with Ireland, he is the now only Irish coach to have experienced victory against the mighty All-Blacks of New Zealand after that memorable victory in Chicago last November.

Ahead of Ireland's test matches in the United States and Japan this summer, the Irish coach joins us with some of the Irish rugby squad for one evening in New York to raise funds towards global pediatric healthcare.

**The Children's Medical
Research Foundation**

Since 1979, CMRF has been dedicated to improving the health and well-being of children and their families affected by childhood illness and disease.

Proud of our long history, our primary focus has been to support Ireland's leading pediatric research institution, the National Children's Research Centre based at Our Lady's Children's Hospital, Crumlin in Dublin, Ireland. A non-profit 501(c)(3) organisation, the Foundation is based in NYC and is affiliated with the Children's Medical & Research Foundation in Crumlin, Ireland.
