

Currently, there are several hundred homeless veterans in Chicago. When a veteran leaves a shelter or transitional housing and moves to a permanent residence, they often do not have the basic items needed to setup a home. These are things that you and I take for granted, but the men and women who bravely fought to defend our freedom often go without.

Alderman Smith is collecting household items to support our vets as they move into permanent homes. The items below will be accepted at the 43rd Ward Office from Memorial Day thru July 4th.
