

Construction Activity Notice

We are making structural improvements to remove slow zones and to improve rail service on the Brown Line. Work will be performed that may affect your community. While progress sometimes comes with inconveniences, we will do our best to keep them to a minimum.

- Date:** **Weekdays Only**
Friday, September 1 to Tuesday, October 31, 2017
- Work Hours:** **Weekdays** - 7am to 3pm, daily (Monday – Friday)
- Location:** CTA's elevated structure in the alley behind 1815 N. Sheffield.
- Work Activity:** New Structural Steel and Foundation Installation
- Local Impact:**
- There will be temporary alley restrictions especially on the south end of the alley to allow for positioning staging of equipment and for actual construction.
 - There will be noise while the work is being performed.
- Noise may include:
- Use of pneumatic tools
 - Beeping from backup alarms on maintenance equipment and vehicles
 - Concrete/metal on metal disposal
 - Truck and equipment traffic
 - Use of rivet removal equipment (handheld "Jackhammers") to remove old structural rivets
 - Flagging horns
 - Railroad personnel communication

If you have any questions or concerns about the work activity, please call:
