Established 1958.

**2018 CAROLINA FIELD DAY**  
**Friday, October 26, 2018**

**Heatherstone Farm**  
**Heath Springs, South Carolina**

# Heatherstone Farm

Heatherstone Farm, a 1,600+ acre property situated in a landscape dominated by timber production, is a shining example of how objective driven passion and persistence followed with wild quail translocation, can achieve desired results. Attendees will see first-hand the ongoing habitat renovations and land management techniques being used to overcome common challenges faced when managing for high densities of wild quail.
