

Field Day Sponsor Information

Carolina Regional Quail Project Field Day at Little Hobcaw Plantation Friday, October 6, 2017

Please consider being a sponsor for the 2017 Carolina Regional Quail Project Field Day to be held at Little Hobcaw Plantation, near Kingstree, South Carolina.

Sponsors are welcome to set up a display and provide information under the tent at the event. Sponsorship options range from \$250–\$1,000. Sponsors will be recognized at the event and in the field day brochure; donations are tax deductible. Any funds not used remain with Carolina Regional Quail Project (CRQP) to help fund conservation work with Carolina landowners.

Field days are a conservation education event directed at highlighting management practices to restore high quality habitat for bobwhites and associated wildlife. Our field days are very popular and typically attended by 150–250 landowners, land managers and other conservation partners. The event will begin at 8:30 am and conclude by 2:30 pm. A light breakfast and lunch will be provided.

We request sponsors please complete the accompanying sponsorship form and send along with a check or credit card information. Write on the check that it is for the CRQP Field Day. Thank you.
