Important News: Wellmark will maintain its pre-ACA individual and family plans

Dear <<Member First and Last Name>>,

Recently, you may have heard some news that Wellmark will not sell or renew individual and family plans governed by the Affordable Care Act (ACA) in Iowa effective Jan. 1, 2018. I am reaching out to you because our records indicate you have a plan with us purchased prior to Jan. 1, 2014 (also known as a grandfathered or grandmothers plan) and I want to let you know this change does not affect your plan.

Your plan will renew for 2018

Rest assured, your current coverage is securely in place and is ready to do what it is designed to do: provide you with access to the health care you need.

You will receive additional information about your 2018 plan renewal this fall. At that time, your agent or a Wellmark representative will be ready to answer any questions you have about your plan.

Thank you for choosing Wellmark. We look forward to serving you now and in the future.

Sincerely,

Laura Jackson
Executive Vice President
