THE THEME

"Then God looked over all that had been made, and saw that it was excellent in every way. " Genesis 1:31 (NLT)

Ever wonder what God was thinking when the world was made? Ever wonder what God was like before you were even born? We will explore the story of creation to understand who God is and what God was thinking when we were made.

We will also explore what happened when some people messed up what God had created. We will see what God was thinking when that happened.

We will also discover how, even now, we are helping God create!

At Camp PRISM, you'll find out that *The Power of our Beginnings* gives us a future to be excited about.

Tee shirt size and payment will reserve your space.

Spaces are limited due to housing availability, so register ASAP!

Total cost of PRISM is:
\$175 if registered by May 24.
\$200 if registered after May 24.

Final deadline is May 31.

Checks should be made out to First Baptist Church, Greenville.
