Georgia Transmission Names Public Affairs Director

TUCKER, Ga., May 10, 2017 – Terry Cole, of Tucker, Ga., has been named public affairs director for Georgia Transmission Corporation. In her new role, Cole will provide public, government and community relations support for Georgia Transmission's construction projects.

Cole has nearly 30 years of experience in infrastructure construction. Her previous employment includes communications coordinator for the Douglasville-Douglas County Water & Sewer Authority, regional communications manager for Brown and Caldwell, communications practice director at Jacobs Engineering and manager of strategic communications with Burns & McDonnell. In addition, she has performed work for AGL Resources, Macon Water Authority, Gwinnett County Water Department and Fulton County Water Resources.

Cole holds a bachelor's degree in journalism from The University of Georgia and a Master's of Communications from Georgia State University. She is a native of Elbert County and currently resides in Tucker, Ga.

About Georgia Transmission

Georgia Transmission, a not-for-profit cooperative owned by 38 EMCs, owns more than 3,100 miles of high-voltage transmission lines and more than 700 substations. These facilities deliver power to Georgia's EMCs who serve nearly 50 percent of Georgia's population (4.5 million). See www.gatrans.com.
