

## **Cynthia Bennett joins Newnan-Coweta Chamber as Director of Programs**

Cynthia Bennett has been named Director of Programs for the Newnan-Coweta Chamber. Her duties include leading Chamber programs such as the German Model Apprenticeship program, Leadership Coweta, the Business Women's Network, and the Chamber's Young Professionals. She is responsible for crafting and managing a dynamic small business support program and facilitating the Chamber's technology planning.

Bennett has an undergraduate degree in Political Science and Social Studies Education from Florida State University and a master's degree from George Washington University. She earned her M.A. in Education and Human Development, specializing in Educational Technology Leadership. From 1990-2015, Bennett taught in the Coweta County School System. Prior to her career as an educator, she worked as the Director of Education for the Columbus Medical Center and as the Development Officer for Callaway Gardens.

Bennett and her husband are co-owners of KRB Communications, Inc. Bennett also serves as president of the board of Meals on Wheels of Coweta, Inc., and sits on the board of the Coweta Community Foundation, where she serves as coordinator for the high school Community Service Team.
