"Electric communication will never be a substitute for the face of someone who with their soul, encourages another person to be brave and true." --Charles Dickens

Thousands of Ohio teachers take 2 of these classes each cycle, to renew their license. They love our condensed format, the face-to face learning, and supportive instructor/leaders.

- All classes are 3 semester graduate hours.
- All school year classes are two weekends. Friday sessions of 6-9PM, Sat/Sun sessions 8-4:30.
- All SUMMER classes are M-F, 8-4:30.
- **Select a course or courses:** Mail us a deposit (check) for \$50, per class, filling in the form below. **Or REGISTER ONLINE!**
- **The total cost is \$599:** The deposit is part of this- so \$549 is due on the first day. All materials, course & credit included. (First day balance cannot be paid by credit card. First day balance by check or money order, only)
 - **Group Discount: 3 or more people mail registrations for the same class in one envelope:** each gets \$40 off the total cost. No add-ons later, and if the group falls below 3 b/c a member cancels, the discount is voided.
The following other discounts cannot be combined with each other (\$40 max), but if part of group, \$60 max.
 - **Substitute Discount: \$40disc./class.** Must verify of substitute status at class start.
 - **Retired Teacher Discount: \$40disc./class.** Verification not required.
 - **Military Discount: \$40disc./class.** Active or former Military.
