

# YEARBOOK HEART ADS

RECOGNIZE YOUR CHILD IN THE YEARBOOK

## PLACE YOUR AD ONLINE TODAY!

SHOW YOUR CHILD HOW PROUD YOU ARE WITH A SPECIAL RECOGNITION HEART AD IN THE YEARBOOK.

There is no better way to celebrate your child's achievements than creating a "Recognition Heart Ad" in the Ladera yearbook.

Recognition Heart Ads are easy to create. You choose your favorite photos of your child, and create a message to go with the photos.

**We changed our process this year to be fully online.** No more paper forms and email submissions!

Log on to our Recognition Heart Ad website at [ads.myyearstream.com](http://ads.myyearstream.com), choose under "Create" or "Finish Ad" our school "Ladera Elementary" and you will be able to create, order and pay online your Heart Ad yourself.

You can choose different Ad sizes from one of our pre-designed templates, or design your Ad completely custom with user friendly design tools.
