Caron Ng, Vice President, Nu-Set Lock

Nu-Set Lock is a manufacturer and direct distributor of locks for retail and wholesale customers. Caron Ng, Nu-Set Lock's Vice President, was invited as a guest expert on Lifetime Network's "Designing Spaces" on July, 29, 2016 where she discussed home security. During the 2-minute and 40-second segment, Caron shared the lock box as a safer solution for accessing a home. The lock box has traditionally been a realtor item used for selling homes and was not considered by homeowners for everyday use.

Caron stated, "**Goldman Sachs 10,000 Small Businesses** helped me focus on my company resources, as well as my network to rollout the next generation of Bluetooth lock boxes. In July of 2016, I signed a master agreement with Lowe's which ramped up my company's growth. I have achieved my goal of being a lock vendor for all the major hardware retail stores in the United States."
