

## Welcome To Sturbridge!

The Sturbridge Tourist Association would like to welcome you to the Town of Sturbridge, a community with deep ties to its historic roots and with modern amenities that will make every minute of your time here an enjoyable one. In a Town with a rich offering of entertainment, there's something here for everyone to enjoy. Our motto here in Sturbridge is, "Shop. Eat. Stay. Play."

**Shop** – With dozens of merchant shops we sell everything from antiques to model trains and everything in between.

**Eat** – Featuring over forty restaurants with cuisine from around the world, as well as family friendly options, our award winning chefs will provide you with a meal that you will never forget. We also have an expanding group of local microbrewers who are tapping into the growing craft beer market for you to sample.

**Stay** – You can spend the day exploring our wonderful community and then rest and relax in one of our over eight-hundred hotel rooms. You can also stay at one of our campgrounds featuring hundreds of outdoor camp sites. With a variety of options you are guaranteed to find a place that fits your needs.

**Play** – Hosting the historic Old Sturbridge Village, a recreation of a 19th century Massachusetts town, you can come see the history of Massachusetts first hand. Beyond the village, our Town offers miles of forest trails to explore and entertainment venues offering live music, plays, and lectures. There is something for everyone of all ages to enjoy.

With all of these possibilities, we invite you to shop, eat, stay and play in Sturbridge. Over nine thousand of us have chosen to live and raise our families here in Sturbridge; we invite you to come see why.

Sincerely,  
Sturbridge Tourist Association
