

# From the Desk of Hal Walls

## CONFERENCE PLANNING

<b>Chair</b>	HAL WALLS, Clariant Corp. hal.walls@clariant.com
<b>Vice Chair</b>	CLEMENT FENG, Generac Power Systems Clement.Feng@generac.com
<b>Secretary</b>	THOMAS BLACK, ASCO Power Technologies Thomas.Black@vertivco.com
<b>Board Liaison</b>	THOMAS BLACK, ASCO Power Technologies Thomas.Black@vertivco.com

The Conference Planning Committee is responsible for creating the conference theme, soliciting speakers and presentation content.

Your input and involvement as a Member is essential to help guide the Committee by suggesting speaker topics for the Conferences.

The Committee encourages Member companies to speak at the Conferences if they feel they have a interesting topic to share that would be of relevance to the group. Additionally, any other topic that would be of use to our members that requires the service of a professional speaker, then please make a suggestion!

As a final comment, be sure to fill out the conference speaker evaluations forms so we get your feedback on the conference speakers. The forms are reviewed and your commentary is taken very seriously whether it may be good, or maybe not so good.

Thank you, and see you all in Kissimmee!

Hal Walls, Clariant Corp.  
2017 EGSA Conference Planning Committee Chair
