

**Are you a caregiver for
someone with memory loss?**

Want someone to talk to?

If you are a family caregiver or a friend of a person with dementia, this informal meeting offers **resources for problem solving, educational information**, as well as **emotional support**.

It is a place where people can **share their experiences and feelings** and hear from others in similar situations.

You are not alone on this journey. Come as you are and meet other caregivers with related concerns.
