A procession, led by a donkey, is followed by a prayer service for peace at First Christian Church where Dr. Martin Luther King, Jr., spoke in 1959. The prayer service will include a reenactment of Dr. King's sermon delivered at Riverside Church 50 years ago in April by award-winning local actor, Aaron Smith. The call of the service will be to end racism, militarism and materialism, to recommit ourselves to the cause of peace and to move toward what Dr. King called the Beloved Community.
