Dear Members of the UCI Community:

You are cordially invited to join us at the Twenty-Fourth Annual UCI Undergraduate Research Symposium to be held on **Saturday, May 20, 2017**, in the UCI Student Center.

This stimulating day-long event promises to be exciting and educational. Oral panel sessions and poster presentations will allow undergraduates from all disciplines to present their research, address questions, and engage in discussions with other students, faculty, staff, and members of the community. At lunch, we present an exciting collection of dance performances. A highlight of the day will be the presentation of the *Chancellor's Awards for Excellence in Undergraduate Research* to outstanding faculty and students.

Your participation is a significant element in the success of this Symposium. It will directly support a community committed to the discovery and communication of knowledge. We hope you will be able to join us for all or part of the day's schedule:
