

# Become a Cox Scholar!

Graduating high school seniors can earn up to \$5,000 to pursue their dreams of a college education!

Applications open December 2017

[www.CoxCharitiesCA.org](http://www.CoxCharitiesCA.org)

The Cox Charities Foundation awards college scholarships to graduating high school seniors across our CA service areas: San Diego, Orange County, Palos Verdes and Santa Barbara. Today's students are pursuing careers that incorporate their passion for giving back and the innovative ways they are impacting their community. From science and engineering to business and the arts, we are proud to support the accomplishments of these remarkable students.
