

YOU can make a difference.

Be the Change. Get Involved.

Improvement happens when you are an active partner in your care.

The Network invites you to join us and become a community leader. Help to engage fellow patients, reduce infections and improve communications at your facility. YOU bring a wealth of real world experience:

- **As a Patient Advisory Committee (PAC) Representative at your dialysis unit**
 - ▶ Work with staff to educate and engage your peers
 - ▶ Write an article for the Network's PAC Speaks newsletter
 - ▶ Train to be a PAC Peer Mentor
- **As a Network Patient Subject Matter Expert (SME)**
 - ▶ Provide feedback about quality improvement activities
 - ▶ Review and help develop Network education materials
 - ▶ Participate in Network calls and events
- **As a National Patient SME**
 - ▶ Participate in national calls and events
