### Blessing of Hope

by Jan Richardson

So may we know the hope that is not just for someday  
but for this day -- here, now, in this moment that opens to us;  
hope not made of wishes but of substance,  
hope made of sinew and muscle and bone,  
hope that has breath and a beating heart,  
hope that will not keep quiet and be polite,  
hope that knows how to holler when it is called for,  
hope that knows how to sing when there seems little cause,  
hope that raises us from the dead --  
not someday, but this day, every day,  
again and again and again.

*Now faith is the assurance of things hoped for,  
the conviction of things not seen. Hebrews 11:1*
