IMMANUEL

Broken and Loved, Saved by Jesus, Freed to Live

**Did you know that the Risen Jesus made
a campfire for his friends?**

From the Gospel of John, Chapter 21 ...

When the followers stepped out of the boat and onto the shore, they saw a fire of hot coals. There were fish on the fire, and there was bread. Then Jesus said, "Bring some of the fish that you caught."

Simon Peter went into the boat and pulled the net to the shore. It was full of big fish. There were 153. Even though there were so many, the net did not tear. Jesus said to them, "Come and eat."

Gathering as a community around the campfire is a part of the human experience — a place to experience the awe and wonder of creation, to connect with one another, and experience the divine.

**Campfire worship begins on
Wednesday, June 6th at 6:30
at Stockholm Park.**

Our format is simple. We share a short service led by a great group of guitar players. People shout out their favorite songs to sing. There are hotdogs to roast and we pray together.

This year, there will be pudgy pies :)

Take some time for joy, contemplation, connection,
and renewal this summer at campfire worship!

Announcements

Council News & Congregational Meeting

A Congregational Meeting will be held on June 10th, following worship to vote on a motion for a replacement air conditioning system. Cost \$6,300. The current system has served us well for many years, but has been freezing. The proposal replaces the units we have with larger units that are also more energy efficient.

Tom will be on hand after worship this Sunday and next to answer any questions you might have about the project and the bid.

We're also beginning conversations about a new midweek worship service and what format might be most meaningful for our congregation and as we reach out to others.

Monday, June 11th from 9 - 5 PM the Quilters will be sewing rice bags for Mariah's Mission Trip to Rwanda. Stop in any time to sew, stuff, or just have fun. Sales for rice bags begin June 17th.

Village News

There is a conversation in motion to replace curb and sidewalk in front of the church. If you would like to learn more, please contact Fred D., the council, or attend the next village board meeting. We also had a water bill indicating very high usage. We have followed up with a plumber and no leaks were found. We have requested a new meter.

THANK YOU FOR ...
