Feed My Starving Children

Founded in 1987, FMSC is a non-profit organization that provides nutritionally complete meals specifically formulated for malnourished children. Ingredients are purchased with donations and volunteers hand-pack every meal. Meals are donated to FMSC partners around the world who connect with kids in need. FMSC consistently receives awards for transparency and accountability. Meals cost less than 25 cents and 99% of FMSC meals have reached their destination.

For many years now, a family in our congregation donates Easter M&M's with a challenge to tackle hunger in our world — and to bring Easter in real time — new life — to people who are living in the midst of great adversity.

This coming Wednesday, our 17 confirmation students and 13 adults will pack meals at FMSC and present our donations. It's an incredible experience. If you would like to share a gift — we'll make sure it arrives safely. Thanks for changing the world!

He upholds the cause of the oppressed and
gives food to the hungry. Psalm 146:7

It is our honor to pray together.
Thanks for letting the office know
of updates to the prayer list.
Thank you.
