

INDUSTRIAL CONTRACTORS COUNCIL 4TH QUARTER BREAKFAST

STEP Awards Presentation + Address from Michael Albano, Dow Chemical "The Importance of Safety"

Join the Pelican Chapter, ABC at its quarterly Industrial Contractors Council Breakfast and Annual Safety Training Evaluation Process (STEP) Awards Presentation. The STEP Program provides guidance for creating a better safety program. The benchmarks help you monitor and adjust your company's efforts build a safer work environment. Contractors complete a thorough application and submit to ABC National annually.

Michael D. Albano is the Lead Director of Environmental, Health and Safety in Dow's Louisiana Hub. Albano has contributed his talents in leadership positions within Dow over the past 27 years in operations, construction, engineering and maintenance for a variety of Dow businesses. He has chaired Dow global teams that oversee industrial cleaning and equipment leak prevention, and represented the U.S. Gulf Coast region on Dow's Global Maintenance Leadership Team. He currently co-leads the implementation project for Dow's 2025 Sustainability Goal on World Leading Operations Performance.
