## ABOUT THIS PROJECT:

This summer Musana Community Development Organization is partnering with Homes of Living Hope to transform two shipping containers into vocational training centers for students at Musana. As a part of the project, we will be filling the containers with much needed medical equipment for Musana's new hospital expansion and other supplies for patients and students. If you would like more information, visit [homesoflivinghope.org](http://homesoflivinghope.org) or [musana.org](http://musana.org). Homes of Living Hope and Musana Community Development are registered 501(c) organizations; therefore, donations made directly to either organization will be tax-deductible under IRS regulations. **THANK YOU FOR YOUR SUPPORT!**
