

Our new sanctuary is a great start. But we have more to accomplish.

Here's what we need your help with:

BUILD NEW WEST ENTRANCE:

Enhanced security with state-of-the-art cameras and new doors.

Easier pick up/drop off for our children.

A large overhead roof for weather protection.

ADA accessible entrance ramps.

RENOVATE WEINER ROOM:

New lighting, ceiling, and windows.

Sound absorbent flooring.

Updated bathrooms.

Integrated projector and screen.

Enhanced space for kids to play and adults to pray.

UPDATE BUILDING'S WEST SIDE:

Refreshed classrooms and first-floor bathrooms.

Enhanced wireless access and audio/video equipment.

New and reconfigured Joann's Playground.

ENDOWMENT/LIQUIDITY FUND:

Support general operations to keep membership dues increases to a minimum.

Build our reserves for emergencies.

Provide a financial safety net.

Ensure cash is available throughout the year.

Avoid the need to borrow funds and incur high interest rates.
