

# Miracle Month Planner

## Plan of Action

### Every Morning Ask Yourself:

~ What is one thing I am looking forward to today?

---

~ How might I best use my gifts/abilities to help + support others?

---

~ How can I make the best use of my time today?

---

### Miracle Manifestations:

Create a list of 5 Action Steps you will take today to create the conditions for more miracles to manifest. For example, if you know your boss is challenging to work with one of your Miracle Manifestations might be to commit to taking 5 long, deep breaths before responding.
