JOIN US FOR THE
2018 ASCE MISSISSIPPI SECTION MEETING

Ladies and Gentlemen:

The 2018 Annual Meeting for the Mississippi Section of the American Society of Civil Engineers (ASCE) will be held September 6-7 in Vicksburg, MS. This is your invitation to join us for great technical presentations and networking opportunities with peers from across the state. We anticipate that 12 professional development hours (including 1 ethics hour) will be available to provide you the opportunity to obtain needed continuing education credits at a very affordable price.

The meeting will be held at The Vicksburg Convention Center (<http://vicksburgconventioncenter.com/>) located at 1600 Mulberry Street, Vicksburg, MS 39180. Technical presentations will begin Thursday, September 6th and conclude on Friday, September 7th – with breakfast and lunch provided both days. A reception and dinner on Thursday evening and an ethics presentation on Friday after lunch are also planned. A detailed agenda will be provided in the coming weeks.

Opportunities are available to sponsor the meeting, reception, lunch and/or dinner, which are shown on the attached sponsor/exhibitor registration form. Also, opportunities to present are available, provided the topics relate to civil engineering and are technical in nature. If you are interested in presenting at the meeting, please contact Steven Worley (sworley@ara.com).

We are very excited about the upcoming meeting and hope that you will be able to join us! Please [register online](#). Online registrations can be paid via Paypal or check. If paying by check, please mail the payment to:

JOIN US FOR THE
2018 ASCE MISSISSIPPI SECTION MEETING

Ladies and Gentlemen:

The 2018 Annual Meeting for the Mississippi Section of the American Society of Civil Engineers (ASCE) will be held September 6-7 in Vicksburg, MS. This is your invitation to speak at the meeting. We are extremely excited to bring the annual meeting to Central Mississippi.

The primary objective of the meeting is to perform ASCE business and serve our membership by providing opportunities to earn quality professional development hours at a reasonable rate. The PDH's will be offered by means of presentations given during one or two concurrent sessions on Thursday and Friday, September 6th and 7th. The number of concurrent sessions will be determined based on early attendance predictions and the number of quality presentations submitted. Outside of the PDH's, the annual meeting is also an excellent opportunity to network with friends, associates, clients and peers in the civil engineering community.

We would like to invite high-quality presentations on topics related to the civil engineering profession. Topics related to any aspect of the civil engineering profession, including but not limited to practice, standards, procedures, ethics, development, technology, research and policy are welcome. Presentations will be selected by a committee with preference given to those that relate and appeal to civil engineering professionals in Mississippi and those that are appropriate for the time limit and expected audience. The Mississippi Section of ASCE also invites proposals for activities or events, including but not limited to keynote speakers, panel discussions, workshops, field trips, tours, fellowship, etc. The proposals for special presentations, activities or events will be considered for implementation into the meeting based on the projected interest level and our ability to implement them within specific time slots. Detailed abstracts of presentations, events, or activities – up to 500 words in length – should be submitted by e-mail to Steven Worley (sworley@ara.com). To avoid repeating presentations to our membership, please include when and where the presentation has been previously given, if applicable.

We appreciate any support of ASCE and hope that you will be able to join us.

Sincerely,

Steven Worley

2018 ASCE MISSISSIPPI SECTION MEETING:
SPONSOR/EXHIBITOR OPPORTUNITY

The Event: 2018 American Society of Civil Engineers, Mississippi Section Annual Meeting
Location: The Vicksburg Convention Center, Vicksburg, MS

The 2018 Annual Meeting for the Mississippi Section of the American Society of Civil Engineers (ASCE) will be held September 6-7 in Vicksburg, MS. This is your invitation to sponsor or exhibit at the 2018 Annual ASCE Mississippi Section meeting. The meeting provides an avenue to market your service or product to professional engineers from all over the state.

This year, the meeting will be held at The Vicksburg Convention Center (<http://vicksburgconventioncenter.com/>) located at 1600 Mulberry Street, Vicksburg, MS 39180. Opportunities are available to sponsor the meeting, reception, lunch and/or dinner. Sponsorship and exhibitor fees and benefits are presented on the registration form. Opportunities to make technical presentation highlighting your products and/or company projects are also available provided the topics relate to civil engineering and are technical in nature.

We are very excited about the upcoming meeting and have been working extensively with the Vicksburg Convention Center to ensure that the event will be successful and worthwhile for all participants. Do not miss this opportunity to highlight your product and service at one of the largest annual gatherings of engineering professionals in the State of Mississippi. Exhibitor space is limited, so please register online as soon as possible. Please direct any questions or comments to:

Mr. Austin Moore, President-Elect
MS Section of ASCE
