

Excerpts from thank you notes we have received from campers:

“Thank you for helping me go to camp. I had a great time!”

“I experience at camp was great. I caught a lizard and a caterpillar. PS> There were no bears!”

“I had a great time at camp. I enjoyed the activities. I also changed this week: I don’t get mad at my brother and sister, and I don’t argue with my mom now. I met new friends and counselors. I wouldn’t have been able to go without your help!”

“Thank you for allowing me to attend camp. It was amazing. At first I was nervous, but I met some great people there. I faced my fears by doing the swing and zip line. I also learned to understand the word of God. I accepted God in my heart! I am so glad I got to go there. Thank you very much!”
