

# *Certificate of Special Congressional Recognition*

Presented to

*EAH Housing*

Presented in recognition of 50 years of providing affordable housing to working families, disabled people, veterans, and senior citizens. Founded in 1968 as a way to create affordable housing while promoting social justice, EAH has grown into one of the largest housing development and management organizations on the west coast. Managing more than 110 properties over 55 municipalities, EAH supports affordable housing and sustainable diverse communities throughout California and Hawaii. Congratulations on 50 years and best wishes on many more.
