

Grand Opening

Radiation Oncology

Highline Cancer Center

Join us for a celebration of our new radiation oncology service.

CHI Franciscan Health in partnership with Virginia Mason is pleased to announce the opening of new radiation oncology services at Highline Cancer Center. The new radiation oncology services bring expert oncology providers together with the latest advanced technology to deliver excellence in cancer care to patients in our community.

Tuesday, March 13, 2018

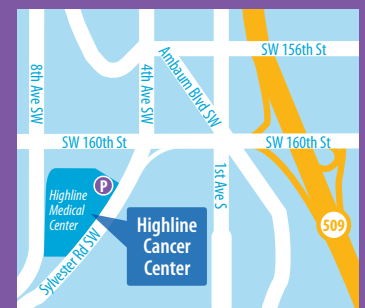

11:30 a.m. – 1:30 p.m.

Blessing, Noon | Remarks, 12:15 p.m. | Tours, 12:30 p.m.

Highline Cancer Center

16233 Sylvester Road Southwest, Burien

Light refreshments will be served.

Highline Cancer Center
16233 Sylvester Road Southwest
Burien, WA 98166

Driving Directions

From I-5, take the Burien/SeaTac airport exit onto Highway 518. Toward the end of the freeway turn left onto 509 going to Des Moines. Take the first exit, South 160th Street. Turn right onto 160th Street. Go across First Avenue South and turn left onto Sylvester Road Southwest. Turn right into driveway. Highline Cancer Center will be on right. Parking is available in the Cedar Garage, on the right just past the cancer center.
