It's official, District 4C-1. You have a new Governor. Our installation ceremony at Lakehead Lions clubhouse was a lot of fun. It is my dream that more of our lions will join us for these District meetings and see how much fun we are having. Our next meeting is the last weekend in September and we will be celebration our newest members and our focus will be on Diabetes Awareness. We have plans to have training for Guiding Lions at this meeting so if you are interested in being certified, or recertified let PDG Maggie Robeson know.

I would like to continue showcasing our District Endorsed Projects. This month I have chosen another of my special projects. When I started out as 2nd VDG I had Lions in Sight as my charity of choice. During that year I attended the MD4 Convention in Modesto and had an opportunity to spend some time with some puppy raisers for LPCCI, Lions Project for Canine Companions for Independence. I was in awe of these people who take a puppy and raise it and then give it up for training and eventual pairing with a life companion. It takes a very special dog lover to be able to do that. So, in my last year of serving the District and having the ability to raise money for a specific charity I decided to add LPCCI and give folks a choice.

Lions love affair with Canine Companions goes back to the early 1980's when our very own John Roback, then District Governor of District C-7, along with his predecessor, decided to make it their district project. In 1983 LPCCI was officially founded to provide education, raise funds and acquire puppy raisers. Now they have a presence in 35 states throughout the country. In thirty years they have raised over 3 million dollars for CCI. They provide service dogs, skilled companion dogs, facility dogs and hearing dogs. There is no charge to the recipient of the dog. Clubs can support LPCCI through Club Mem-
District 4-C1 Information & Club News

Memberships awarding members with Abdul and Distinguished Service awards and individuals can become life members.

I hope that District 4 C-1 continues its great support of this wonderful organization. We have two representatives in our district that would love to come to your club and do a presentation sometime. These ladies are listed in the directory.

Thanks for listening. Thanks for all you do in your communities. You are making a difference.

Submitted by District Governor Marianne Keesee

This is the results of last year 2016-2017 Pull Tab 4C1 contest

1st place Fort Jones 129 lbs.
2nd place Chico Breakfast 78 lbs.
3rd place Anderson 73 lbs.
16 clubs are now participating

We have started this year off 350 lbs. turned in since July 1, 2017. They will be delivered to the:

The Ronald McDonald House
2555 49th Street
Sacramento, CA 95817

Redding Host Lions
Where are you taking your Lions Life? Leadership is not for those who go along for the ride. You either have to be driving or supporting your leader with partnership and a passion for service. A leader is always trying to find ways to improve themselves, their fellow officers and club members.

We are at the point for Club elections and the opportunity to step into new and exciting challenges. What would you like to do or have you been asked to do. Those who ask you to take on a roll are complimenting you. They want you to fill a position you are ready for.

At the coming District 4-C1 Convention, your club delegates will be voting for persons to fill the district level leadership positions, as well as making decisions on budget and constitutional issues. I encourage each of your club boards and memberships to provide direction to your delegates. They should not have to make these decisions themselves.

We are all searching for direction in some way. What should I do? How can I help? Who can I help? Who can we offer service? I recommend that you either be a helper or ask for help in getting there. Your leadership can both use your help and want to help you find your own direction.

Mike Ferrier
Global Leadership Team (GLT) Coordinator, District 4-C1

THEME OF THE 2018 DISTRICT 4-C1 CONVENTION FOOD FAIRE

Don’t count this coin!

LET’S HAVE SOME FUN

THE PIRATE’S CONTEST CONTINUES!!!!
CHECK THE MANE LION FOR SECRET CLUES!
FIND THE GOLD DOUBLOONS IN EACH ISSUE.
AT THE CABINET MEETINGS, THERE WILL BE A PRIZE AWARDED TO THE MEMBER WHO HAS THE CORRECT NUMBER FOR THE QUARTER!

Next contest at Cabinet Meeting on September 30—October 1, 2017 to be held at
The Loma Rica Foothill Lions Club.
This coming year is shaping up to be a very exciting one for our district. International has rolled out a new tool for Lions to use to keep our communication open with members from all over the world. *My Lion* is here! This app provides a great opportunity to “twin” with a club in another country or another club in a different multiple district. Imagine the great ideas that we can share with each other. In a matter of minutes we could put out an idea for service and/or fundraising and get a response from all over the world. We would know if the idea has been tried, if it worked and how it could be done better. A great platform for sharing ideas and friendship.

Our Multiple District 4 is concentrating on adding more women and families to our membership. We need to find ways to include more youth and young families. Clubs might need to rotate meeting days and times so that more members can attend. A branch club could be started. Only 5 members are needed instead of the 20 that are required to start a Lions Club. The Branch club members are also members of the parent club, so it is a really good way to increase membership in your club. The Branch club does have its own officers and their own bank account, but both the branch and the parent club can do fundraising and service together and separately.

Our Global Teams will now include service along with membership and leadership that are already in place. These three will make up a team to help all the clubs in each district to gain more members, train more leaders and give more service to our communities. If your club has not done a Community Needs Assessment in the last couple of years, it is time. Needs of each community are ever changing and we need to be on top of what those needs are to serve even better as Lions.

I am very excited to enter this next year of leadership in our district 4-C1. There will be opportunities for me to visit other districts so that I can bring new ideas back to all of you. This week I will be attending the Organizational Council of Governor’s Meeting in Sacramento. All the Governors and Vice Governors have an opportunity to come together to share problems and successes. We get training and we have FUN. It is a time of meeting and greeting new and old friends. After the Council session I am off to see my family in Maryland. Enjoy what is remaining of your summer and hope for some cooling off!

“Today is your day! Your mountain is waiting. So…get on your way”. *Dr. Seuss*

With our Transitional Cabinet meeting concluded, DG Marianne, 1VDG Sue and I have started making the rounds to all of the clubs. It has been a fun experience seeing the different ways each of the clubs run their meetings. I have been to see 5 different clubs thus far and not one of them was like the other. It is interesting to note that although each meeting was run differently and had a different set of procedures, the goals are the same: Service to the community.

We Serve is our motto as well as the motto of our new International President. Our district does a remarkable job of serving our communities but there is always room for improvement. I do hope the new position of Global Service Team Coordinator supports all of the clubs in their efforts to increase service to the community.

I have always been involved in team sports and it is not lost on me that we as Lions are just that; A Team!!! Each Club is its own team, the District is a team, the Multiple District is a team and the entirety of Lions Club International is one HUGE team all working together for a common goal.

While we are focusing on service we cannot forget to continue to build our teams through new clubs and new members. Fresh ideas and new perspectives open us up to amazing new possibilities. Every club in the district has the potential to ease their work load by increasing the hands working. Many hands make light work is an adage we should all be aspiring to fulfill.

Once again, I am humbled and thrilled to be serving our district. I sincerely look forward to meeting as many of you this year as possible and sharing my thoughts with you and hoping you all will do the same with me.

Keep serving and having fun!!! There is very little point in doing anything without an element of fun so be conscious of that aspect of your service and each project will grow and be ever more successful.

Leading Lions – Changing With the Times?

We have spoken quite a bit over the last two years about retention and making our club members feel like they are a part of a family. It turns out there have been people studying this subject because we in Lions are not the only ones who have been seeing declines in membership, so people are paying attention in an attempt to figure out just why this is happening.

Over the last 20 to 30 years, roughly, other organizations like Rotary and Kiwanis have seen a 58% reduction in people attending their meetings, and membership is down also. Rotary is down over 20%, Jaycees down 64% and Masons are down 76%. We know that our membership has been down, but locally and statewide here in MD4, our numbers are beginning to climb again.

The question we have to ask ourselves as leaders is just why has this been true? Author Robert Putnam states that there is an overall trend by Americans who now have 43% fewer family dinners, and 35% fewer of us that have friends who will drop by to visit us at our homes. Much of this has to do with two parent families where both parents work, and so their family time at home is much more precious to them. Encouraging them to come out and attend a meeting might be a bit more difficult.

We also have moved into the 21st Century, and people today, particularly younger people, are much more into keeping up or in touch with their friends and family via social media like Facebook, Twitter, Linked In, Instagram, etc. In business, if the customers are dropping and business is falling away, the leaders make finding out why this is and making corrections their number one priority. Common sense dictates that the same principle should apply to our service clubs as well.

So, is the format of our clubs outdated? In some cases perhaps we should be considering this question. Are our rituals still making sense to younger folks? For that matter, does our weekly breakfast, lunch or dinner meeting still make enough sense that we are growing as a club and District? Perhaps we should consider mixing it up some. A breakfast or lunch meeting, and then a dinner meeting that is family friendly, so that members can bring their kids. I would complement a couple of clubs that I know are doing this. The Gridley Lions and the Enterprise Lions both have social get-togethers that are family friendly. I am not saying there are not others, I am just mentioning two that have been in my attention over the last month or so. Family friendly social functions are important to our clubs, and to our younger members.

We all, I think, are familiar with the saying, "This is the way we have always done it." Or, "We tried that, it won’t work." My question for our leaders is this: “Are you courageous enough to abandon a practice that did well for you in the past, but may not be working so well now?"

Great Leaders dare to be different!

PDG Aron Whealy
From Modoc..."Where the West Still Lives"
A NEW LCIF YEAR

Lions of 4-C1,

As the 2016-2017 fiscal year ends, I must thank you for your generosity and support for LCIF. The final report on our District’s donations just arrived and our clubs and individual Lions gave a total of $21,928.00. This is our largest annual donation in many years. Thank you!

Our District had many new Melvin Jones Fellows the past twelve months. Congratulations to all of them. The most recent since my last report are:

Kris Pena - Chico Breakfast Lions
Susan Prahl - Enterprise Lions
Gary Harlow - Enterprise Lions
Aaron Chatfield – Peach Bowl Lions

Now we start a new year – ways your club can continue to support LCIF:

Become a 100% Contributing Member Club by sending $20 per club member to LCIF. Just remember you must send a list of each member’s name. I have the official forms but you can submit online without one. If I can send you one, just let me know at smrobeson@yahoo.com. This donation counts towards your club’s Melvin Jones Fellowship account. Each club member receives a bronze LCIF pin.

At each District Cabinet Meeting, we sell $25 raffle tickets for a Melvin Jones Fellowship. Right now, our balance is $650 so there’s a good chance we’ll be drawing a new winner October 1 at the Foothill Lions Hall during the next District Cabinet Meeting there.

If you have questions or need help in any way with applying for a Melvin Jones, please get in touch with me. Again, thank you for your support of our wonderful Foundation.

PDG Maggie Robeson
District LCIF Coordinator
Hello District 4-C1 Lions,

I think all of us in our wonderful District share the same goal—to serve our communities. We can all enhance the service we provide if we have more club members to do it. All club Membership Chairs are invited to our next District Cabinet Meeting at Foothill Lions Club on September 30 to share recruiting ideas. If your club is one of the 20 in 4-C1 who has not yet chosen a Membership Chair, please submit your selection on MyLCI.

Some very basic Recruiting Tactics:

--Make up a club Brochure (templates available on LCI website to personalize for your club).

--Foster a relationship with someone at your local newspaper so that all your club activities can be publicized. Get club meetings printed in the paper's Community Calendar. If you are having a Program at your club meeting, get that listed in the Community Calendar and invite the public.

--Have special “Invite a Friend” meetings or “Membership Open House” meetings where your members bring community members to let them learn about all the things your club does.

When you have time, visit the LCI website—lionsclubs.org. Go to Member Center. If you type GMT in the search box, you will have a wealth of information to look at. The Member Retention Toolbox is particularly good.

Another thing you are going to be hearing about is the need for more Certified Guiding Lions in our District. It is easy to get your certification on-line. Again, go to Member Center - put “certified guiding lion training” in the search box. The PDF “CertGuideLion Workbook” will come up – take time to look through this. It is full of good material that all of us can benefit from. PDG Steve and I are the Guiding Lions for a new club forming in the southern part of our county. It has been a rewarding experience for us. We’ve made new friends and have been able to socialize with them beyond the meetings. Each step forward brings great satisfaction.

Please contact me if I can be of assistance to you and your club.

Submitted by District 4-C1 Awards Chair, PDG Steve Robeson

Our district wants to reward the efforts of our clubs and members in their many areas of service. Pages 77-81 of this year’s district directory has all the applicable information for you for these major areas:

1. **One of the many areas is “Top Club.”** Please urge your club’s secretary to send the Activities Report every month to the Region Chair for your specific Region. This form allows your club to gain recognition for several other awards (Visitations, Membership gain, etc.).

2. **Another area is the newsletter.** Please send your newsletter to me at:

   3733 N. Hwy 3, Etna, CA 96027

3. **Lion of the Year.** Most certainly, each club has one or more outstanding members annually. I urge each of you to have your club endorse a nominee.

4. **Citizen of the Year.** Our clubs interact with and observe our communities’ non-Lion citizens. These good folks deserve recognition by our district. Please start the identification process soon.

The Passing of the Gavel

On Tuesday, June 17, 2017 the Forest Ranch Lions Club held their annual Installation of club officers’ ceremony. The high point of the evening was the passing of the gavel from former Lion President Larry Marcum to new Lion President Rebecca Haskitt (aka Becky). The conductor of ceremony was visiting Past District Governor Skip O’Brien, as pictured far left in club officer’s group photo. Pictured next is President Lion Becky Haskitt, 1st VP Lion Rich Faringer, 2nd VP Lion Norm Walker, Secretary Lion Ida Marcum, Treasurer Lion Jill Collins, Membership Lion Denise Walker, Tail Twister Lion Richard Anselmi, 2-yr Director Lion Lon Halley. Not pictured: 1-yr Director Lion Larry Spencer and 2-yr Director Lion George Geiger. The evening included a formal dinner by chef Lion Ida, special awards that honored each member and the induction of new Lion Kenny Breese (seen receiving his first pin from Lion Larry Marcum). Our Forest Ranch Lions Club is now 20 members strong!

Redding Breakfast Lions Club

is participating in Kohl’s 2017

Back to School Shopping Spree

What: Kohl’s Cares for Kids and NVCSS are partnering together again to help underprivileged students (K-5th) look their best and feel more confident as they go back to school.

When: Saturday, August 5, 2017

Goal: Raise $15,000 to take 100 kids shopping for new school clothes.

NVCSS needs your help to make this day possible!
As a non-profit partner, NVCSS raises the money for the children to participate. We would like to invite you to partner with us this year by sending us a cash contribution in any amount. For every $150 dollars contributed, one more child will start the school year with new shoes and clothes.

For more information, or to volunteer to shop with a child at the event, please contact Meghan Anderson at 530-247-3372.

FOOTHILL LIONS CLUB PRESENTS WHGD/LPCCI:

On June 24, 2017, the Foothill Lions Club held our Annual WHGD/LPCCI event for our community. The proceeds from this event are being donated, along with funds from other fundraising activities, to the Lions Project for Canine Companions for Independence (LPCCI) in support of this awesome program to provide trained assistance dogs to help those individuals who require assistance to live a more independent, productive life. Lion Cindi Fitzgerald is Area Director MD-4 and was the chairperson for this event. We are proud to call her a member of the Foothill Lions Club.

LPCCI is an official Lions Foundation – a nonprofit organization formed in 1983 to educate, raise funds and seek puppy raisers for Canine Companions for Independence. Canine Companions provides highly trained assistance dogs free of charge to enhance the lives of individuals with disabilities which are not vision related.

The community could interact with “puppies in training” and speak with representatives from LPCCI, who answered questions and demonstrated just what these amazing animals can do!

There were lots of activities available for the community to enjoy – especially the “renown lawnmower races”. Lion John Stevens roared to victory with other racers coming in close behind him. Even the heat of the day could not put a damper on this exciting event. The Lions members manned a deep-pit BBQ, which provided mouth-watering ribs for the people to enjoy. The food was great and plentiful. The band was excellent with attendees listening, tapping their feet and thoroughly enjoying the music. The raffle table was filled with extremely nice prizes donated by local businesses and our membership, who are always very generous. Thank you to all who attended, worked, planned, ate, and provided an enjoyable day at the Foothill Lions Club!!!!
Dear Lion’s Club Members,

Thank you for coordinating a special “Lion’s Club Night” at The Acting Company. As a group, you get to take advantage of our group pricing, so you will get tickets for $15 instead of $18. I’m in the process of setting up a group code online so your members can go to our website, put in the code, and arrange their tickets. Members can also call our Box Office at (530) 751-1100, we are open Monday-Friday from 12-2pm. Be sure to have your members say they are part of the Lion’s Club to get the discount tickets. Tickets for the Wizard of Oz will go online on May 1st, so please wait to arrange tickets until then.

We have arranged seating, so it’s best to have each party call or go online to arrange their own tickets. We only have 66 tickets available that night, so be sure to let people know to get their tickets in advance, as we sell out very quickly!

We’re so glad you’ll be spending time at our little theater. We hope you enjoy the show!

Sincerely,
Carmen Smith,
Theater Manager

**DIRECTED BY BETSY JOHNSON & STEPHANIE MCCLAIN -BOLLINGER**

Written by L. Frank Baum—Auctions May 1—3rd.—Showing July 14—August 13

This classic tale, in which a Kansas farm girl travels over the rainbow to discover the magical power of home, has been entertaining audiences for generations. Come with us as Dorothy, The Scarecrow, The Tin Man and the Cowardly Lion begin their quest in search of the mighty Wizard of Oz who has the power to send her home and grant her friends “a brain”, “a heart” and “courage”! They will find themselves in trouble more than once on their journey, but ultimately find they had everything they needed all along. This classic musical has all of your favorite songs from the movie.
**PEACE POSTER CONTEST Challenge**

“*The Future of Peace*”

As District Governor last year, I was very pleased to have some Lions Clubs who haven’t submitted a Peace Poster before, participate in the Peace Poster Contest. This year as the North Butte Region Chair, I like to throw down the gauntlet and challenge the Clubs in the Region to submit a Peace Poster. Did you know that in the Lassen Region, posters drawn by the Redding School of the Arts are split between 5 Clubs for each to choose a winner and that many times in the past the winning Poster has been sponsored by one of these Clubs? I think that the North Butte Region must have some equally talented youth, who would love the chance to express their concept of what this year’s theme, “The Future of Peace” means to them. As a Peace Poster Co-Chairperson for my Club more than once, I can attest that the good feelings of honoring and presenting an award the 1st, 2nd and 3rd place winners are immeasurable. You might have the opportunity to receive a giant hug from a 2nd place finisher like I had. Don’t know how to get started? It’s easy, just search the Lions Club International Website for a wealth of information. You have until October 1st to order the Peace Poster Kit from the LCI Store. The link for this is: members.lionsclubs.org/EN/serve/other-ways-to-serve/contests/peace-poster-contest/index.php. Be sure to “think outside the box”, find children who are home schooled, and put a flyer in your churches bulletin board or in your public library. So, won’t you join me in throwing a submission from your Club into the ring, sending a winning Peace Poster to DG Marianne Keesee by November 15, 2017?

IPDG Jamie Hart, North Butte Region Chair

---

**Mane Lion**

*Please email submissions for the Mane Lion to 4c1manelionspc@gmail.com by the 25th of the month. If you are unable to send submissions via email, they can be mailed to:*

**Lion Sally P. Carter**
