

CELEBRATE WITH SAINT LOUIS REGIONAL COMMUNITY HEALTH CELEBRATION

AUGUST 18-24, 2018

Celebrating Community-Based Care: Careers in Healthcare

Join us as we celebrate St. Louis' community health centers during our Regional Community Health Celebration August 18-24, 2018!

Visit us at one of the scheduled events! This is an opportunity to network with health center leadership, learn more about the various career opportunities in community-based healthcare and celebrate community change agents. Open up the Community Health Celebration week with our Community Driven, Community Living celebration.

All events are free and open to the St. Louis community

For more information and to RSVP for events, please visit: <https://2018regionalhealthcelebration.eventbrite.com/>
