

Oh... The Places We're Going!

It's the 20th Anniversary of America Reads
When we salute Dr. Seuss and his literary deeds
But, after tipping our hat to that colorful cat,
We Marched thru the month doing much more than that!
With videos and pictures and a wee bit of prose
We'll sign off for Spring Break with a dubious close.
You'll see just how busy our classrooms have been
And we'll note the accomplishments of some of our friends
We'll summarize the State of the District for you
And boil it down in a word or two!
We'll highlight the musicals that wowed everyone
And the tennis team that got it done!
We'll share poses and posies with little oration
To honor and hasten your Spring Break Vacation.
But before we sign off and bid our adieu!
D7 is shining, thanks to you!
