

# Coating Christmas in Love

This Christmas Season we are encouraging our Pearl Students and their families to participate in our service project "Coating Christmas in Love". Each year we present our Christmas Play to our local public elementary school, Rio Hondo. Many of these local

families struggle financially and don't even have enough money to purchase a warm coat to wear as the weather turns colder. The teachers at Rio Hondo have helped identify 40 students from struggling families who really need new warm jackets. If you would like to bring

warmth to a child this Christmas season, you can sign up with the link online, call the Pearl Office or turn in the form below.
