

# Accelerated Math Parent Workshop

If you are new to Accelerated Math this year (especially 1st grade parents or new Pearl families), I would like to invite you to a special parent workshop. The workshop will give you an overview of how the Accelerated Math program works, how to access it for home use, and how to sign-up to receive email updates on your child's progress.

Who: Parents who want to know more about Accelerated Math

What: Accelerated Math Parent Computer Workshop

When: Tuesday, October 10th

Time: 7:00 p.m.-7:45 p.m.
