

Saturday, October 10, 2026 | 6:00 P.M. | Manteca, CA

Rooted in Community is more than a one-night gathering – it's a statement. Set against the backdrop of Downtown Manteca under string lights and stars, this elegant event honors the region's rich agricultural history while casting a bold, modern vision for its future.

Local leaders, changemakers, and community members will come together to celebrate what makes South County special – with a dramatic long-table dinner, curated bar experiences, live music, dancing, and opportunities to support local nonprofits through a community-driven silent auction.

For sponsors, this is a rare opportunity to align your brand with a purpose-filled evening that blends heritage with innovation. Your name won't just be seen – it will be remembered as part of the movement that brought people together, spotlighted local businesses, and sparked real impact.

By supporting Rooted in Community, you're not just sponsoring an event – you're investing in a stronger, more connected future for this community.

Sincerely,
United Way of San Joaquin County
