Student Placement Information
Optional Parent Input Form
2017- 2018

As we begin to plan for the 2017-2018 school year, we will be placing students in classrooms with teachers that we believe will be a positive learning influence and support. This is an optional request, but we do value your input. Please note that this is not a teacher selection process. We will make every effort to accommodate your child's learning style and needs, but it is not possible to honor specific teacher requests. We appreciate your effort in providing us with information about your student. Please complete this form and return it to your child's current teacher or directly to the Mountain View office by **April 14, 2017 or as soon as possible**. Your child's teacher will be apart of the placement process, as well as the Principal, Special Education team and Specials teachers. Please understand that the class list process will not be finalized until the summer. Class placements will be announced mid-July. At the appropriate time during the summer, you will receive an email indicating you may log onto your parent portal to view class lists for the 2017 – 2018 school year.

Sincerely,
Millie Grotts
Mountain View Principal
