## Connecting People to Christ

## ANNOUNCEMENTS

### Church in the Changing Culture, Part 2

Our pastor, Bill Bossert, DMin, will give the second session presentations on how the church is surviving in the new culture. His earlier presentations on September 17th, set a background for us in what and why we have experienced such a historic cultural change in our western world. This next session will focus upon the "attractional church" and the "missional church".

These presentations will be giving on Sabbath, January 28th. The first will be at 11 am entitled, "The State of the Church Address". That same day, beginning at 1:30 pm, two more presentations will be given focusing on what is an "attractional church" and what is a "missional church". There is a marked difference in these two church models that might be the key to helping our church grow.

All of our church family is encouraged to come and learn what these presentations have that might help us move together as a church family fulfilling our mission in Christ.

### Lunch with Friends January 7th

Sabbath, January 7th, plan to have lunch with friends old and new here at the church right after the worship service. Bring a vegetarian dish to share. Be a friend, make a friend, bring a friend!

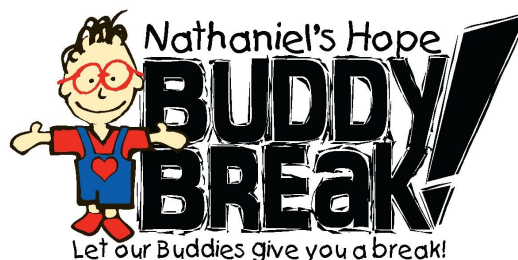

### Offering a Traditional 2nd Worship Service

A few weeks ago, Pastor Bill did a casual survey of our church family to see if there was interest in having a second more traditional worship service. He received 27 responses indicating a positive desire to have that service. Lots of planning needs to be done to start a second service here at Naples Church.

The Pastor would like to meet, for a brief pre-organizational meeting with all those interested in participating in a traditional service, right after our regular worship service on January 7th. This brief meeting will organize a small committee to pull together the necessary parts to making a second service possible.

If you have an interest in a traditional-type worship service and would be willing to participate in the beginnings to organize such a service, please stay after the worship service on January 7th for the brief meeting. This step is crucial in getting the many elements of the service going. It is the plan to begin a second 8:15 am worship service on Sabbath, February 4th.

### Want to Impact Lives and Show God's Love?

Buddy Break will be held January 20th from 6:30-9:30. Buddy Break is a FREE respite program that provides parents/caregivers of children with special needs (VIPs) with a break. VIPs ages 2-16 are welcome as well as their siblings 4 years old—whatever! We provide 3 hours of care, typically every 3rd Friday of the month. We offer crafts/special projects, music, movie nights, games/puzzles, sensory room and Wii games.

Buddy Break needs volunteers for crafts/projects, opening praise time, games, or to be a Buddy one on one. All volunteers must attend mandatory orientation and training and those over 18 require background check. Email [buddybreaknaples@gmail.com](mailto:buddybreaknaples@gmail.com).

## Become a Steward of Life and Time

A potpourri of practical ideas to help you become a better steward:

Stewardship is a total lifestyle. It involves our health, time, talents, environment, relationships, spirituality, and finances. Resolutions or not, there is a sense of beginning again in this first month of the year. That's good. We could let the weeks pass without much thought, but we need times to reflect and look ahead. The Scriptures do not speak about the significance of the first month, but they do focus on the importance of worship. Paul advised the Corinthians to prepare for giving to the special opportunity he was encouraging. "On the first day of every week, each one of you should set aside a sum of money in keeping with his income" I Corinthians 16:2. The first month of the New Year provides a marvelous opportunity to begin giving through your church. Make it a priority to be a steward of not just your time, but your life. Take tender loving care of your minutes in 2017.
