Connecting People to Christ

ANNOUNCEMENTS

Free Community Breakfast

Wasn't last month's Free Community Breakfast just so much fun? It was a great success. Oh, wait! You missed it? That's ok, we are doing it again June 4th @ 10 am and we personally invite you to join the fun if you haven't already.

For more information, please see Mary Ann Rule or Danielle Krivda or better yet, please text BREAKFAST to 941-877-5654 to get all the information you need to be part of this growing ministry. Ready to sign up right now? Just go to <http://signup.com/go/AE4oJl> for a list of all the items we need, or to let us know you can help. We start set-up at 9 am and are cleaned up by 12 pm. We can't wait to stand together with you in service. Jesus has called us to serve, let us carry out His request!

Great Family Gatherings

The summer is filled with lots of activities. People try to squeeze in vacations, extra yard work, and time to relax at one of our beautiful Naples beaches. But this summer offers our Naples Church a great opportunity for our church family. This summer we're going to have one Sabbath each month for eating and sharing together in a new and different way than our monthly fellowship luncheons. Dates are being selected where we'll all be invited to the homes of some of our members to share a Sabbath lunch together. There'll be more information coming soon about how that will all work, but it'll be a great opportunity to get together and to enhance friendships. It'll also be a time where we can talk together about what we believe our Naples Church should be and how we'll work together in the future. Do watch for more information when you come to a worship service or from an email church blast.

Buddy Break

Buddy Break has now been operational for 18 months and is only limited by the number of volunteers. As a recap, Buddy Break is an evening out once a month for parents with children with disabilities (called VIP's). The parents can bring all their children to Buddy Break and have 3 hours free. We average 25 VIP's plus their siblings and all are from the community. Community support comes from PAWS which faithfully brings service dogs every month and other guests. We are in need of volunteers for all areas from behind the scenes to working directly with the children. From the infamous words of the children, "Buddy Break is the best night of all".

Plant Project

The quality of the landscape in front of the church has been declining over the years since the building opened. To help us bring it back to its original, beautiful, state, we worked with a local landscaper to come up with a plan. The plan is not cheap, not in the budget, and it will take the full support of the congregation to raise enough funds to complete. Flags are placed around the front to represent components of this plan: **orange flags are for shrubs, white flags are for sod and top soil, pink flags are for rock and mulch. The orange flags are a \$30 donation, the white are a \$25 donation, and the pink are a \$15 donation.** We are two weeks into donations and are 20% of the way to the goal. If each member donates for a flag, we can make this a reality. Please make your donation in a tithe envelope marked Plant Project. Any questions can be directed to Laura Carlisle at 239-775-2867.

Summer "Shorts"

During the warm summer months, we're going to be a bit more casual for the warmer weather. The Bible says in Ezekiel 44:18 that the pastor must not wear anything that makes him perspire. So don't be surprised if the men aren't wearing suit jackets or sport coats this summer. Also, our pastor is planning to have a bit more singing at our worship services and a little shorter sermons. At least, he says the sermons will be a bit shorter— we'll wait to see on that. The praising of God in song and word is so important to our worship experience here at Naples. We're hoping that each person who attends will have that special encounter with God as they come together in our "House of Prayer and Praise". Our worship planners try to create the moments that give opportunity to all of us to raise our praise and our hearts to God during our time together. It's their hope that all have an experience with the Lord each Sabbath. So, when you come to worship this summer, enjoy our music and praise of our Lord in a greater way than maybe you've experienced before.

"50th Anniversary"

The 50th Anniversary is coming up December 2nd. We are hoping for a great and joyful reunion of members and friends of Naples SDA Church. In order to make that day successful, we are hoping all our members will give \$1/year that the church has been in existence. If each member would contribute \$50, our 50th Anniversary expenses would be covered. Each of us can mark our offering envelopes with "50th Anniversary" when we donate or we can use PushPay available online or in the church narthex.

Special Thank You

You wouldn't notice it if you didn't know, but we had very leaky rain gutters on the west side of our building. Ken Teakell, our head deacon, got Don Rule to help him investigate and then fix those leaky gutters. They climbed up on the roof and found that a rubber ball, and a frisbee, and a frog were living up in the gutter. No wonder they didn't drain. We're not sure how the frog got there, but we do have an idea how the ball and frisbee got there. We do wish to thank both Don Rule and Ken Teakell for taking care of this problem for us all. We appreciate so much!

Another school year is behind us with May 18th as the last day of school. NACS always ends the year on a high note with Kindergarten and 8th grade graduations, 8th grade trip (this year to Sea World), ice skating, and teacher appreciation week.

Our Principal, Mrs. Wainwright, and Vice-Principal, Mrs. Nestares, compiled a list of accomplishments achieved this school year and I wish there was space to list it all. Rest assured, we upheld our mission in high esteem in all areas of Christian Standards, Academic Excellence, Community Building, General Improvements, and Partnering with the Community. Our NAC's staff is a cohesive unit that strives to serve our students, parents, church, and community with the highest level of professionalism. This goal was well attained.

Thank you to all who made this school year another great success.

"Restoring a Treasured Tradition"

Vacations! Vacations? Vacations. Different emotions and feelings come with the word "Vacation". For some individuals and families, it is the pinnacle of the year's schedule, while for others it is the dreaded monster that has to be fought and dealt with each year. As a country, even though most individuals recognize the need for a time out, we have become a no-vacation nation. Compared to some European countries that guarantee a set number of vacation days per year, such as Luxemborg (35 days), Norway (29 days), and Switzerland (28 days), not a single U.S. state has a paid-vacation law on its books. **Why not vacation?** The excuses are numerous for not taking time off for a well-deserved break. Forty percent of respondents in one study stated there was "just too much work to do". Twenty percent of respondents in the same study indicated, "I just enjoy my job and didn't need the days off. Others were afraid that "their job would be eliminated while they're away. No wonder our Lord instructed His disciples both then and now to "come apart and rest awhile". **Enjoy a staycation**—Here's how it works: First, you set a period of time just as if you were going on a cruise. Second, you make a plan that includes all the activities and meals. Third, you establish guidelines to make it a feel like a vacation such as now working from home, no cleaning or laundry, and definitely no extra cooking by Mom. Create a staycation budget for all the activities including dining out and be sure to put aside money for a special splurge once a day. By all means, take lots of pictures so the kids can create a scrapbook of memories to treasure and share. You might just be surprised when it's over that the family will call this the absolute greatest vacation. By Gordon Botting, D.Ph., DHES, CFC
