Connecting People to Christ

ANNOUNCEMENTS

Buddy Break

Buddy Break will not be holding their monthly gathering during July. Buddy Break takes a lot of people to pull it together and to make it work. They all deserve a well-earned break. During the June gathering, a water slide and other water events were planned. It was a super time for the VIP's. And on a hot June night, it was very refreshing. The VIP's at Buddy Break are the children with special needs. Buddy Break is an all-volunteer ministry, led by Michelle Crombie, which gives parents with special needs children a night off. At Buddy Break, each VIP is assigned an adult or mature teenager to be that VIP's buddy for the night. Our VIP volunteers do a great job in keeping everyone safe and having a great time. If you'd like to help with Buddy Break, please see Mary Ann Rule. She can get you started. Volunteers are always needed and are carefully trained for this unique and rewarding ministry.

The Early Community Center Plans

The early Community Center plans have been done, and they are visible at the church. We're excited at the design work done by our architect, Renee Zepeda, and her team. The preliminary drawings are now on their way to the Florida Conference Property Development Committee for their review and approval. Following that, we'll begin serious fundraising for the project. It's our hope to not borrow money for the project. The pastor believes that there are people here in our community who can and will help us build the Community Center. This new addition to the church will be focused on meeting the needs of our community. That is why it is designed as it is. That design has at its core the idea of assisting the community around us with spiritual programs, emergency aid, education, and health/recreation programs. Its unique layout promotes those ideas and makes the church facility better able to meet the unaddressed needs of those around us. If you'd like to see the new plans or talk about it, please see the pastor. He'd love to share with you what's happening.

Graffiti Arrest

As many of you know, we did have a young man do some vandalism on the wall of the church by using a felt-tipped pen to put graffiti on the front of the church. Our pastor has met several times with the Collier County Sheriff's deputies and with the detective assigned to our case. The young man is in process of the two charges brought against him for the two separate times he wrote graffiti on our wall. Each time is a separate charge, and both are felonies. Putting graffiti on a church or other public buildings is a felony in Florida. We've purposely not spoken to the media, and have no public comment about the case. We do pray for this young man, and that through this experience he will find a better path forward in his life. Through this experience, he may now have available assistance that he needs in getting into a positive future.

We've asked Orlando Mercado to repaint the front of the church. We do appreciate his attention and availability to accomplish the painting quickly. Thank you, Orlando.

Holy Land Tour

The church board has placed on the calendar a Holy Land Tour for the spring of 2019. The trip dates are now set for April 23rd to May 7th, 2019. If you think you might want to go, please see Pastor Bill. He'll put you on a notice list and keep you up-to-date on developing details. We're planning on about 30 people going. Pastor Bill will be providing much of the information at the various sites, along with our experienced tour guide and host. It should be a great trip.

Ministry Faire

Ministry Faire was a smash hit. We've never tried doing the Ministry Faire idea before, and it went very, very well over three Sabbaths this June. The Ministry Faire idea is built on helping all in our church family find where and how each would like to help advance our mission together. Opening up opportunities and options gave all of us a chance to get involved with our broad ministry programs. Beginning June 30th, ministry leaders will be working with all those who signed up and start getting everyone going. We're looking to restart some of our children's divisions that haven't been going for some time. We're looking to expand our outreach to our local community. We're looking to be more successful in broadening the ministry programs already up and going. If you didn't get a chance to get involved, don't hesitate to let us know and share with us what you'd like to do in ministry. We're always looking for ideas and people to help. Contact Danielle Krivda, Mary Ann Rule, Marlene Smith or the Pastor to learn how you can participate now.

Summertime at NACS is time to plan for next year and ensure all enrollment and scholarships are complete. Principal Wainwright holds office hours Tuesday through Thursday with limited hours, but will be available with appointments outside the scheduled times. We are excited that we have all next year's teachers hired and have begun their orientation.

The planning of our school building project is in the final stages and we will be submitting for permitting this month. Although permitting can take up to 3 months so progress will not be visible, we think that the hardest part is behind us!

“What will be the reward of a faithful steward?”

Matthew 25:23 — While a steward is a manager, a superintendent, a servant, a caretaker, the designation is used only in response to what God has given him. We become good Christian stewards not because we want to be saved, but because Christ first saved us. It is God who first does great things for us, giving us life, wealth, health and everything. We only respond to His goodness. Therefore, whatever a steward does is his natural task to be faithful to God (1 Corinthians 4:2). And if we are faithful, Christ will one day soon say to us, “well done, thou faithful servant, enter thou into the joy of the Lord” (Matthew 25:23). There is a story told of a young student who asked his teacher if a good Christian would be rewarded with a home in the new earth. The teacher replied, “maybe not, because God owns the universe and everything in it, however, we will have life tenancy. Do you think that will be long enough?” Think about it, life tenancy...throughout the ceaseless ages of eternity. What a reward for those who are faithful stewards! Christian stewardship is the foundation of faithful Christian living, therefore, it is vital to understand the basic principles; is based on a relationship between God and human kind in partnership; also involves giving; we return our tithes and give other offerings to support God's work; calls for keeping our bodies healthy and strong and to diligently use our God-given time and talents to His glory.
