Connecting People to Christ

ANNOUNCEMENTS

International Sabbath

International Sabbath will be October 14th. Our church family is from all over the world and we want to celebrate the mission of Jesus as He has touched lives for His kingdom far beyond our shores here in the US. This special Sabbath worship service will highlight the many different countries represented in our church family. At this present time, we know of 18 different countries represented in our congregation from outside the US. In preparation for our International Sabbath, we are ordering flags to be hung in the Narthex of our church in honor of each church family member who is now here in our fellowship group, but was born in another country. The pastor is ordering the flags so that they are all the same size for each country. Here is a list of the countries of origin we know about so far and have ordered the flags: Honduras, Brazil, Haiti, Jamaica, Puerto Rico, S. Korea, Columbia, Slovakai, Germany, India, Costa Rica, Dominican Republic, Cuba, Kazakhstan, Grenada, Canada, Romania, and Argentina. If you were born outside of the US, and regularly attend the Naples SDA Church, and you don't see your country of origin listed, please let the Pastor know right away. We wish to have every country represented.

Community Breakfasts

Sunday Community Breakfasts are a wonderful outreach time for our church. On the first Sunday of each month, we put out a very nice breakfast for anyone wishing to come and eat. Many people from our community surrounding the church have come over and eaten with us. Our next one will be on Labor Day Weekend, September 3rd. The breakfasts are easy to do and fun for all. We simply ask for help in providing food and help with set-up. It is amazing how much fun being together with our community neighbors can be. We would encourage you to come out and participate. We have set-up about 9 am, then our free Community Breakfast begins at 10 am. We're usually done by 11:45 am. Ken Teakell, Bill Fries, Mary Ann Rule, Mary Chaffee, and many others are the backbone of making it happen. If you'd like to get involved, just ask them what you can do to help. Come on out and enjoy the fellowship we are having with our community neighbors.

Book of Daniel Class

Understanding the Book of Daniel Class will begin Wednesday, September 13th at 7 pm. Our pastor, Dr. Bill Bossert, will be our instructor. Specially prepared lesson guides will be given out at each class session. The class is open to anyone who wishes to understand the great prophecies from Daniel, and how they reveal what is happening here today in our world. This class will meet each Wednesday evening through the middle of December. The class is free, but each one should bring their Bible. This class will be followed in January with Understanding the Book of Revelation. Daniel and Revelation are tightly linked together. Understanding each book opens up the whole Bible to the great truths it contains. And starting at 6:15 pm, a free light supper of soup and sandwiches will be provided. All are welcome.

Our 50th Anniversary

Our 50th anniversary will be here in only a few months. Our special celebration Sabbath will be December 2nd, exactly 50 years after our official start of the Naples SDA Church. A lot has happened since then, and we're so grateful to how the Lord has led us in the past, and now into our future. At our 50th Anniversary, we're so pleased that the Florida Conference leadership will be present. Dr. Mike Cauley, our Conference President, will be speaking for our worship service. Carmen Rodriguez, our Conference Executive Secretary, and Duane Rollins (our Conference Treasurer) will be here as well. Duane Rollins was very instrumental in helping us with the financial aspects of our new church building project. At the 50th, we'll have a wonderful lunch together and many activities for all of us the rest of the day. It will be a time of wonderful renewing of friendships and recommitment to the mission Christ has given us to do. The day will conclude with a special vespers service at 5:30 pm. Do mark your calendars for this special Sabbath together. You won't want to miss it.

Bible Truths 101

Bible Truths 101 is a new class starting Saturday mornings at 9:40 am on September 9th. Some of us are new to the church and wish to know more of what church is all about. Some of us wish we knew more about the Bible and could find our way around in it easier. Some of us know we need to be baptized, but aren't sure what that means personally. Some of us are baptized, but need to get the basics of what the Bible really teaches clear in our minds. Pastor Bill will be leading out in this class. All are welcome. You won't need to know anything to start. He will help you find your way. Once you catch a few things, the Bible will make a lot more sense.

So if Bible Truths 101 seems like the right fit for you, come and join us.

Our school year started on August 7th and we welcomed 61 students and have since added three more. We are in full swing with our academics and are now into level testing. We are looking forward to our annual Breakfast on the Beach on September 17th when our staff, parents, students, and board members will gather together at Wiggins Pass to sing praises to God, have an amazing breakfast, learn a lesson about God and nature, and relax at the beach. We are fully staffed except for a music teacher; so if you or someone you know loves kids and music and would like to teach music part time, please contact our Principal Audrey Wainwright. We are also looking for a substitute teacher for Kindergarten; the position will start in mid-October while Mrs. Nestares is on maternity leave. The school's phone number is: 239-261-6227 and Mrs. Wainwright's cell number is: 561-856-7604.

“Not So Sweet” by Gordon Botting

You have probably heard these sayings: "Life is uncertain. Eat dessert first." "A balanced diet is a cookie in each hand." "A man cannot live on chocolate alone, but a woman sure can." Such common quotes reflect our love and desire for sugary products. In the United States, the average individual consumes over 140 pounds of sugar annually, the equivalent of 50 teaspoons per day. That adds up to over 350 calories a day or 20 percent more than we consumed three decades ago.

HEART DISEASE—When Harvard scientists tracked over 80,000 women for more than two decades they found that regardless of weight, those who drank at least two sugar-sweetened drinks daily had a 20 percent higher risk of heart disease as compared to those who drank less than one such beverage per month. Fructose also raises triglycerides following a meal. In 2009, the American Heart Association recommended that women limit their added sugar to six teaspoons (25 grams) a day, and men to no more than nine teaspoons (38 grams) per day as compared to the 20+ teaspoons the average adult currently consumes.

BREAKING THE SUGAR CYCLE—*Limit Your Sweet Bite* - Many individuals were brought up in families where the evening meal was not complete without a dessert. To assist you in decreasing your fructose intake, determine to limit your desserts to once a week, say after Sabbath or church fellowship lunch. The only exception would be special occasions such as birthdays, graduation, weddings, etc. *Eat Fresh Fruits*—All fruits are healthful but those with low glycemic load such as blueberries, strawberries, cherries, and raspberries are the best particularly if you are a diabetic. Be sure to substitute fresh fruits for juices. Whole fruits are better because fiber slows glucose (sugar) absorption as it enters the blood stream. As we reflect on the scientific evidence about the effects of sugar on our body, we are again reminded that we are stewards of our lifestyle as well as our resources.
