

# How Should I Help My Child With All This New Math?

**Common Core Math?  
Math-In-Focus?  
What's it all about?  
How are they teaching my child in school?  
Do you wish you could help your child more with  
their math learning?**

Kathleen Jalalpour and Corrinne Khoo Lieu are nationally recognized math educators and Singapore Math® trainers.

Similar to Common Core, Singapore Math® teaches for understanding, problem solving and number sense - the building blocks for success in the 21st Century. Join us for a hands-on exploration of the benefits of this approach! Learning math for the future can be fun!
