TEAM UP & JOIN US

Dear Employer,

Tampa Bay's annual America II Corporate SportsFest on the beach is a unique and special bay area tradition. It's the *Beach Event of the Year* and a chance for thousands of enthusiastic, fun-lov'n employees to team up to proudly represent their companies. This year, your spirited employees are excited to join in and are counting on your support so they can come together as a team to proudly represent their company. The best part is, **No Athletic Skill is Necessary, just Team Spirit and Company Pride!**

Our goal is to assist you in your efforts to **build team-work, foster camaraderie** and to **instill company pride!** If these are objectives within your organization and you don't mind building relations and networking with nearly 200 of Tampa Bay's most pro-active companies, we would love to have your organization join us. I'm hoping your review of this packet, as well as a visit to www.SportsFest.com, will help your employees win your support. Questions, please do not hesitate to contact me.
