

Decide how over \$15,000 gets spent on projects by youth and for youth!

WE NEED YOUR VOICE

Vermont Afterschool is starting a Statewide Youth Council that will distribute grant money to fund projects thought up by young people like you! On the Council, you will design the process for how the money gets distributed and help shape who will ultimately be awarded the grants.

There are lots of ways to be involved.
Check out the back of this sheet!

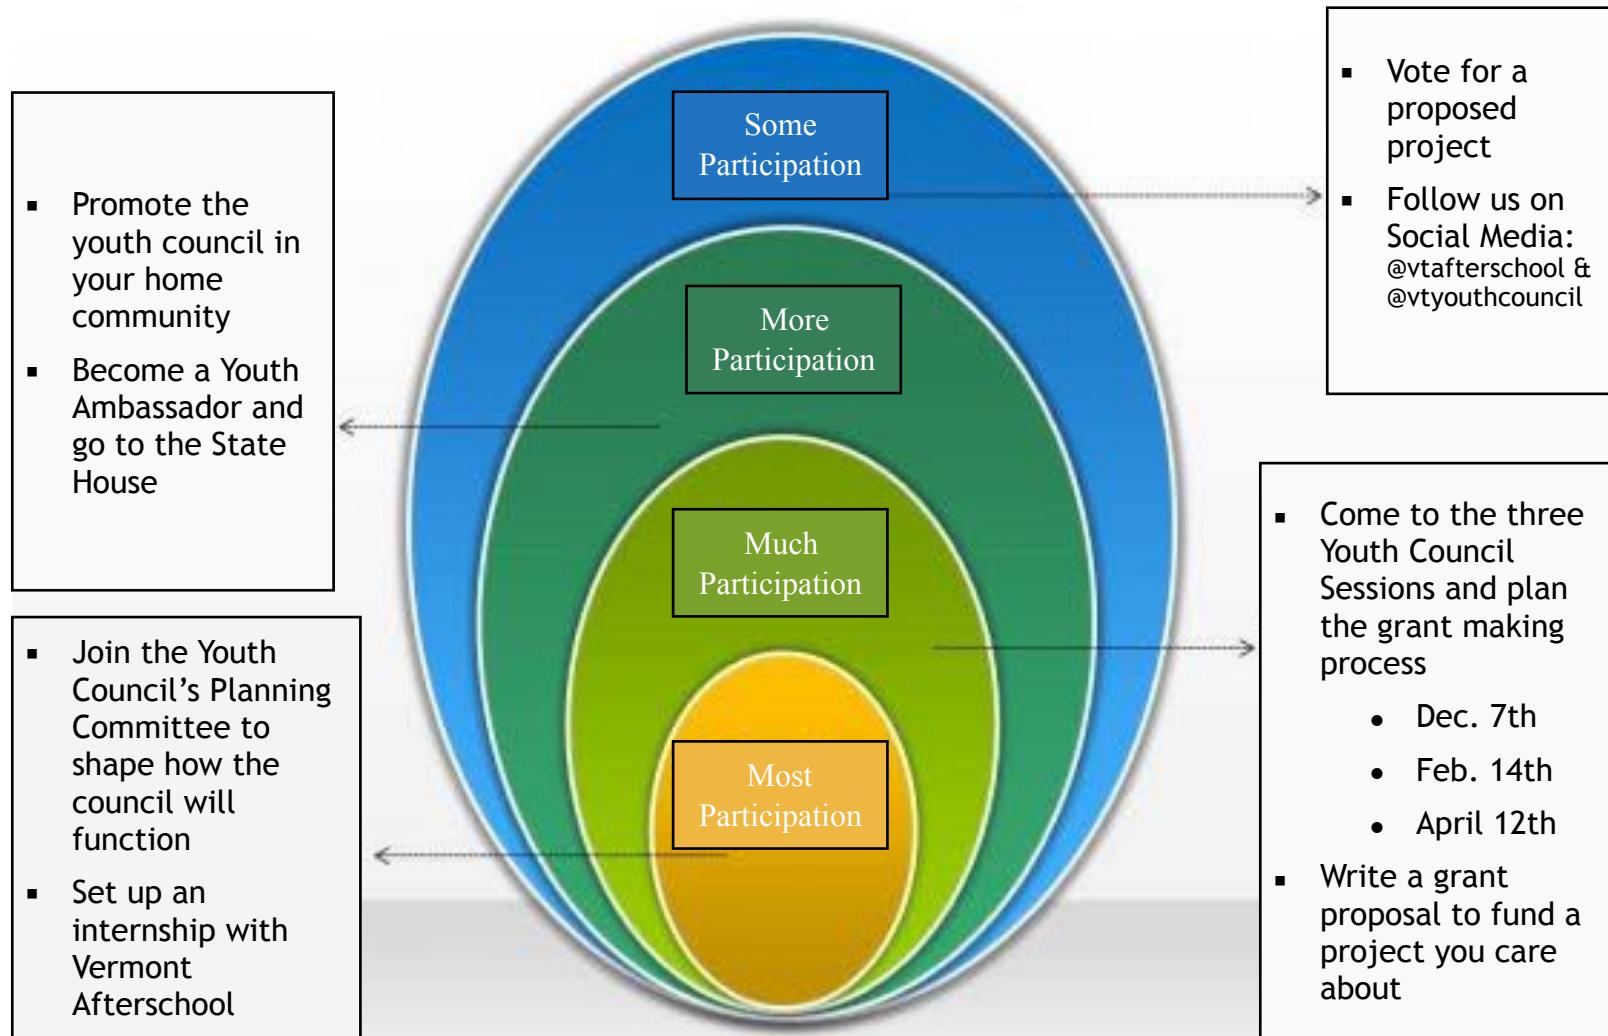

Curious, and want to hear more? Call or text Sam at (802) 662-3685
Or email sam@vermontafterschool.org
